To the Thoreau Seniors of 1969

It has been a pleasure to have you as students this past year. I am certain that the knowledge and skills you have obtained in the past years will benefit you in the future.

As you are the first graduating class of Thoreau High, you are expected to set good examples for future graduates to follow, and I am sure you will do so.

I hope that you will look back on the time spent here as profitable and pleasant and that you will not loosen the bonds between you and Thoreau High. After you leave us, you will find things hard to understand sometimes, but if you keep your faith, I am sure you will find your greatest chances lie in this country. Remember good things do not come easy, they must be worked for.

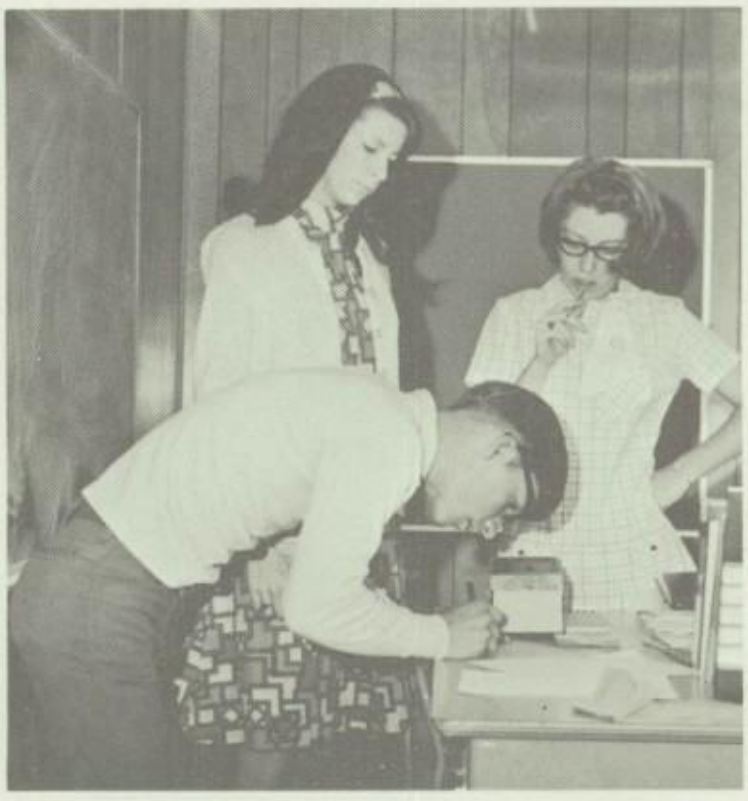
SCHOOL LIFE

At the beginning of the school year, all students had their vision checked. . .

J&O students received new clothing.

So Many???



Campaigning and voting for Student Council President proved very interesting.

The student council is organized along the lines of our federal government. There was active campaigning and voting. Sandra Carwile received the majority of popular votes, but Francis Watchman polled the most electoral votes. The inauguration took place in the gym on a sunny October day. Rita Marshall was sworn in as Speaker of the House and in turn swore Francis in as President. A brief inaugural address was then delivered by President Watchman. Mrs. Richards, Student Council sponsor, congratulated President Watchman and Speaker of the House Marshall.

PEP CLUB

The Pep Club, sponsored by Mrs. Pickens and Mrs. Polston has greatly boosted school spirit this year and are to be commended for the fine example they have set.

Mr. Dyer's Pep Band and the spirit poster painters have also contributed to the enthusiasm and excitement accompanying the basketball season.
